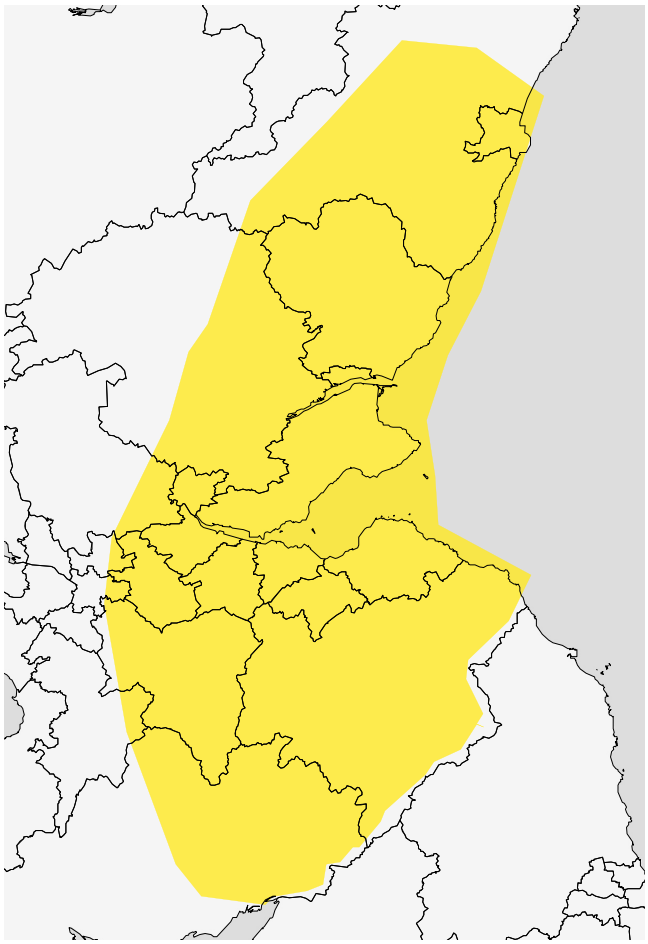
Yellow warning
Thunderstorm

Between
12:00 Mon 9 Aug 2021 and
23:00 Mon 9 Aug 2021



While many places will stay dry, heavy showers and thunderstorms may cause flooding and disruption in a few places.

What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes or hail

Further details

Heavy, slow-moving downpours will develop on Monday. Some places will miss these, but where they do occur, 15-30 mm rain may fall in a short space of time, perhaps with 50-70 mm over several hours in a few places. Some of these downpours may also be thundery, most likely over eastern Scotland. The showers will die out during the evening.

Reason for update

Area covered by the warning extended northwards and end time extended to 2300.
